The Big 7-5!

Millennium Corporate's 75th Celebration

Many, many moons ago, the founding fathers of **Millennium Corporate**, then known as **Kansas Central Credit Union**, gathered to provide credit unions with a cooperative correspondent ally in the financial services industry.

Since our beginning as the very first corporate credit union in 1951, Millennium Corporate has stood alongside credit unions through decades of change, growth and innovation. While we've evolved in many ways over the past **75 years**, our commitment to partnership, innovation and serving the credit union movement has remained at the heart of who we are.

Now, 75 years later, we're ready to celebrate! In honor of 75 years of service to credit unions throughout the Midwest and beyond, Millennium Corporate invites you and your team to join us for an evening of celebration on **November 18, 2026**, from **6:00-9:00 p.m.** at the **Hyatt Regency Wichita**.

The evening will feature a commemorative dinner and reception, reflections from longtime Board members and staff, and plenty of opportunities to reconnect with old friends and new friends alike. Together, we'll celebrate the history that brought us here, the people who helped shape our journey and the credit union movement that continues to inspire us.

Whether you've been a longtime partner or are new to the Millennium Corporate family, we'd be honored to have you join us as we celebrate this incredible milestone - and look ahead to the next chapter.

Registration and room reservations are available on our website [HERE](#).

Can't make it in November? Join us for an **even grander** celebration at our **75th Annual Meeting, April 12-14, 2027**, at **The Cascade** in Kansas City's Country Club Plaza!

Bites & Insights Recap

Mike Schenk Shares Insights in NE, MT & ND

Our second installment of **Bites & Insights** was a major success, thanks to all who joined us in **Fargo, ND, Omaha, NE & Billings, MT**, on **July 23rd**! With ample opportunities to discuss pressing topics, a virtual economic update from guest speaker **Mike Schenk**, and delightful refreshments – it was a valuable resource for all who were involved!

Wondering where in the world your Millennium friends will be for the next Bites & Insights event?

Our next Bites & Insights venture is scheduled for **October 29, 2026**, with two Missouri locations in **Kansas City** and **Springfield** and one Nebraska location in **Lincoln**! Stay tuned for more updates on the guest speaker for October 29th by staying connected on our LinkedIn page, **HERE**, or by subscribing to our bi-weekly email newsletter, **Millennium Mail**, by following the directions below!

Go to millenniumcorporate.org > Scroll to the bottom of the page > Click **Join our Email List** > Enter Your Information > Select **Millennium Mail** under **Email Lists** > **Submit**. **You're now in the loop!**

A Wealth of Knowledge

Recent Webinars

Millennium Corporate has recently hosted a few webinars, and we have a **wealth of knowledge** to share with you! Below is a brief summary of each session, along with instructions on how to access the full recordings (just in case you weren't able to join us live)!

Q3 Bites & Insights with Mike Schenk | Renowned economist **Mike Schenk** shares timely, thoughtful economic insights drawn from over 35 years of experience in the financial services industry – including roles at **America's Credit Unions**, **Filene**, and his most current role at **People Not Profit, LLC**. If you couldn't make it to Bites & Insights because we weren't in your area this quarter, you can catch the recording **HERE**.

Introduction to Asset & Investment Management | Director of ALM **Rachel Dulaney** gives a high-level overview on how the services provided by Millennium Corporate's **Asset & Investment Management** team can help your credit union strengthen financial strategy, manage risk, and make informed decisions about liquidity. You'll discover how AIM supports credit unions through ALM modeling and reporting, interest rate risk validation, investment solutions, liquidity planning, borrowing options, and more. **To access the recording, simply reach out to engage@millenniumcorporate.org and request the link!**

We Love Our Credit Union, and Yours Too!

Sharing the Love with Local Credit Unions on I Love My Credit Union Day

On Friday, **July 31st**, credit unions all over the map came together to celebrate **#ILoveMyCreditUnionDay**, bringing to light all the many reasons credit unions are so easy to love! On an occasion like this, we couldn't resist the opportunity to show our members some extra love. So, we invited local credit unions to stop by our office and enjoy food truck fare – on us! We loved to see our members marking the occasion by connecting, inspiring one another and enjoying a little well-deserved recognition for the important work they are doing in the community and the credit union movement at large. We are grateful for those who were able to celebrate with us and to all our members who we are proud to serve each day!

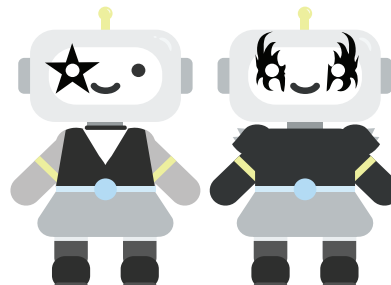

Ready to Rock N' Roll All Night (& Party Every Day)

Millennium is Set to Take the Stage at SYNG!

Millennium is set to rock and roll all night (and party every day) at the **CMAs, Cornerstone Music Awards** (aka SYNG), this fall! We'll be taking the stage on **October 15th** in **St. Louis, MO**, to rock out as the legendary band, **KISS! SYNG**, for those who are unfamiliar, is a high-energy lip-syncing extravaganza that gives back in a big way. All donations go towards **Cornerstone Foundation's** mission, which promotes financial wellness, provides training for credit union staff, and delivers disaster relief to various communities. SYNG also happens to be in sync (no pun intended) with **ELEVATE, Cornerstone's Credit Union Leadership Summit**, which you can learn more about **HERE**. Gearing up for our performance means the marketing team has been practicing their dance moves, perfecting their face painting skills, and nailing their air guitar technique until they get their hands on the real thing! In the meantime, you can cast your vote for Millennium while supporting the Foundation's mission by clicking **HERE**, or texting code **MCCUKISS** to **44321**. After all, there's nothing more rock and roll than making a difference with your dollar!

CLICK HERE or text **MCCUKISS** to **44321** to vote for us and support Cornerstone Foundation's mission!

Important ISO 20022 Update

The Federal Reserve Financial Services Reschedule ISO20022 Release

The **Federal Reserve Financial Services (FRFS)** has announced that, after careful consideration, it has decided to reschedule the Fedwire Funds Service release from **November 2026** to **November 2027**. Additional details regarding the rescheduled release are expected to be shared by FRFS this fall.

The changes previously communicated, including the transition to a hybrid postal address format and enhancements to investigation messages and FedPayments Manager – Funds, will not take effect as originally planned on the November 2026 date. We understand some credit unions may have already invested time in preparing for these updates, and we apologize for any inconvenience this change in timing may cause. If your credit union has already started preparing for the November 2026 changes, no immediate action is needed at this time. Please pause or extend those preparations until additional guidance and timing is provided.

We will continue to monitor updates from the Federal Reserve and provide additional information as it becomes available. For the latest information and updates, please visit the Federal Reserve's Fedwire Funds Service ISO 20022 Implementation Center, [HERE](#). In the meantime, please share this update with your operations, technical, and wire staff, as well as anyone else involved in your credit union's ISO 20022 processes.

If you have questions about ISO 20022, please don't hesitate to contact an Account Specialist at memberservice@millenniumcorporate.org or **800.721.2677, option 1**.

Thank you for your patience and continued partnership as we navigate these ISO2022 updates together.

Columbus Day | October 12

AIM for the Stars, Ryan!

Ryan Younger Officially Becomes a Licensed Representative

Ryan Younger, one of our seven AIM Financial Analysts, has officially completed his **Series 63 exam** – the final requirement to become a licensed registered representative authorized to sell securities through **CU Investment Solutions**! After previously earning his **SIE** and **Series 7** certifications, Ryan has now reached this important (and not easily achieved) milestone. **We are so super proud of you, Ryan!**

Ryan, along with 5 other AIM'sters, had to pass a series of 3 exams in order to obtain the grand title of being a licensed Rep. Along with this title, Ryan can now sell securities to credit unions like yours!

We couldn't be prouder of Ryan and the dedication he's shown throughout the process. We're excited to see where this next step takes him in helping our credit unions and in his AIM journey!

Questions about securities or want to congratulate Ryan? Ready, **AIM**, and shoot him an email – ryany@aimcusolutions.org!

Together At Last

St. Louis Team Visits the Wichita Office

Members from Millennium Corporate's Item Processing and Operations teams – including **Chris Zoellner, Marilyn Lee and Dreia Watts** – recently made the trek from **St. Louis** to **Wichita** to collaborate, strengthen team bonds, and conduct a little staff training! With Wichita and St. Louis staff **together at last**, it was a must for the Operations and Item Processing teams to go out on the town for a group dinner and a puzzling journey through an escape room. As you can see from the photo below, it looks like everyone made it out just fine. Phew! The smiles in this picture also represent the immense pride and dedication we all share in serving credit unions like yours. **Thank you again to Chris, Marilyn, and Dreia for a productive, fun, and inspiring week at the Wichita office!**

Event Recaps

CEO Roundtable, Tri-State Collaborative & MMS User Conference

CEO Roundtable

On July 15th, Kansas credit unions gathered for a very collaborative **CEO Roundtable** hosted by **Cornerstone**. Leaders – including our very own **Haley DaVee** – were able to put their noggins together to discuss ideas and strengthen the spirit of cooperation one conversation at a time. The CEO Roundtable brought together leaders from **Azura Credit Union, Campus Credit Union, Catholic Family Federal Credit Union, Central Kansas Education Credit Union, Credit Union of America, Dillon Credit Union, Farmway Credit Union, Frontier Community Credit Union, McPherson Co-op Credit Union, Meritrust Credit Union, Morton Credit Union, Skyward Credit Union, Topeka Police Credit Union, Truity Credit Union, White Eagle Credit Union, and Wichita Federal Credit Union**. Let's hear it for collaboration!

Tri-State Collaborative

Speaking of collaboration, the **Tri-State Collaborative** on August 4th and 5th brought together credit union leagues from **Minnesota, Montana, Nebraska, and Wisconsin** to unite their efforts and better serve credit unions in those regions. Our Member Engagement Representatives **Lisa Hargrove** and **Garrett Glidewell**, attended and represented Millennium as an official event sponsor. During the event, **Billings Federal Credit Union** played an instrumental role in the discussions with newly appointed CEO **Nancy Harris** speaking on the mentorship program and Marketing & Community Relations Specialist **Allyson Songstad** presenting on the advocacy panel. **Trius Federal Credit Union's** Executive Vice President, **Jennifer Flood** also shared valuable insights throughout the conference. The Tri-State Collaborative truly highlighted the strength of the credit union movement in its interactive format, a variety of strong industry speakers, and engaging group activities that encouraged collaborative thinking! If there's anything that we know about credit unions (*and the leagues that support them*), it's that they work better together, and the Tri-State Collaborative proved just that!

MMS Conference

Members' Mortgage Services held a fantastic **User Conference** on August 25th! Millennium Corporate was incredibly proud to sponsor this year's event, and our team (*some donning their fiery shirts*) loved connecting with so many dedicated credit union professionals and lending teams. A few highlights included lunch at the **Kansas Leadership Center** – featuring remarks from our very own **Haley DaVee** – along with an evening of networking at **The Bunker**, complete with mini-golf, raffles, and delicious bites from a local food truck. Thank you for having us, Members' Mortgage Services, and thank you to everyone who made the entire day a huge success!

MCCU Staff Donates to Local Students & Teachers

Millennium Corporate staff in both Wichita and St. Louis came together to support local schools as students and teachers prepare for another school year. Together, our teams donated well **over 200 school supply items** to help classrooms start the year off strong!

In Wichita, donations went to our neighboring school to the north, **Wilbur Middle School**, while our St. Louis team distributed donations throughout local school districts in the area.

Supporting the communities we call home is important to Millennium, and we're especially proud to help teachers and students as they head into a new school year. A big thank you to everyone who donated and helped make this effort such a success!

Want to partner with Millennium on a future community project? We'd love to hear from credit unions interested in joining us for local volunteer opportunities or community initiatives. Reach out to our team to explore ways we can make a difference together – engage@millenniumcorporate.org.

A Blast from the Past

Celebrating 75 Years

As we celebrate our **75th Anniversary**, we will continue to share historical photos that honor decades of **Millennium Corporate** memories. Consider it **a blast from the past** in photo form! **Here are a couple of treasures we found in the archives...**

Lyn Hollenbeck & Heather Seiler at a Trade Show in the 2000s | Lyn Hollenbeck and Heather Seiler are the longest-tenured current staff at Millennium Corporate, with Lyn starting in 1983 and Heather starting in 1988.

2002 Kansas Corporate Credit Union Board Members | (left to right) **Gary Colcher, Bob Thurman, Glen Scott, Wayne Warfel, Myrna Reser, Vic Deaver & Kevin Johnson.**

That's The Scoop...
